In Association with

Your valuable support in our drive will greatly motivate us in furthering the cause of creating a safe and secure Mumbai.

FIRE & SECURITY ASSOCIATION OF INDIA (FSAI) is a non-profit organization representing the Fire Protection, Life Safety, Security, Building Automation, Loss Prevention and Risk Management domains.

FSAI was established in 2002 and incorporated as a society with Tamil Nadu Societies Registration Rules 1975 (Tamil Nadu Act of 1975) bearing Registration No. 326/2002.

Its primary aims and objectives are:

- To foster a spirit of safe living among all citizens of India and inculcate a proactive mind-set towards safety and security at all times.
- To promote and advance the use of fire safety and security systems.
- To foster fire safety and security engineering education and awareness.
- To maintain high ethical standards amongst its members.

FSAI aims to work closely with the Government and all other stakeholders to enable the Indian fire and security industry to reach global pre-eminence with better regulatory framework.

Selection Process

1. Participation forms will be distributed to around 150 Mandals across the city of Mumbai.
We will be working closely with Mumbai Fire Brigade and Mumbai Police using the data of Mandals registered this year with them for ensuring the active participation from Mandals.
2. A shortlist of 15 best Mandals from these 150 participants will be made based on initial evaluation by the FSAI team.
3. These shortlisted 15 Mandals will be then be evaluated by the esteemed Jury panel consisting of Senior officials from **Mumbai Fire Brigade, Mumbai Police, RR Kabel & FSAI committee** who will be declaring the winners.
4. Award ceremony will be conducted immediately after the festival attended by dignitaries, the short-listed Mandals and Media.
5. Jury's decision shall be final and binding.
