# Fire Protection & Prevention | Disaster Relief | Safety | Security | Surveillance

## Get ready to build a safer country

We take great pleasure in inviting you to be a part of India Fire Excon 2015.

The focus on cutting edge fire protection and safety technology is rising globally. India Fire Excon 2015 aims at representing complete security supply chain from components to solutions highlighting latest designs and modern technologies.

Originally conceived a year ago as a trade show for fire services only, this year we make it a complete platform to showcase fire prevention, disaster relief, rescue, safety and security.

So, make a date now for India Fire Excon 2015 if you like to experience the latest safety and security solutions, make new business contacts, share information and expertise with fellow professionals, networking opportunities, joint venture partnerships etc.

### Key Opportunities

Fire prevention, industrial and public safety, hospitality and real estate security, assurance of occupational safety, health and environmental hazards, disaster relief and rescue, urban surveillance, critical infrastructure protection, border, port and airport security, etc.

Affairs, Government of India

### Testimonials

"We had participated in International Fire & Safety Expo 2014 in Kolkata. Our display items were Firepro Aerosol Generator products which is imported from Cyprus (EU), our experience during the Conference-Exhibition was commendable as the people who had attended this exhibition were interested in our products and also the eminent delegates who attended this event showed keen interest in our fire extinguishers which is based on Aerosol Technology. We were able to extend our contact base for sales and marketing of the stated products and also received some positive inquiries. - PETTECH SERVICES PVT. LTD.

We are in fire safety products business since last 40 years and associated with various companies such as CRC, CFI, Safex, Newage, Shah Bhogilal, Swati, NRI and others. Our participation in International Fire & Safety Expo 2014 was very helpful in generating new business opportunities. We are proud to be a part of 'INDIA FIRE EXCON 2015' and wishing it a grand success. - NATIONAL BELTING COMPANY

## About ICC: the Organiser

The Indian Chamber of Commerce (ICC) is the premier body of business and industry in Eastern and North-Eastern India. The membership of the Chamber comprises several of the largest corporate groups in the country, with business operations all over the country and abroad. Founded in 1925, the ICC retains the character of being the premier Chamber with senior Indian Industry leaders forming the core of its Executive Committee or the Governing Board of the Chamber. Several of the distinguished industry leaders in the country, such as Mr B M Birla, Sir Ardeshir Dalal, Sir Badridas Goenka, Mr S P Jain, Lala Karamchand Thapar, Mr Russi Mody, Mr Ashok Jain, Mr Sanjeev Goenka, Mr Vikram Thapar, Mr Umang Kanoria, Mr S K Bangur, among others, have led the ICC as its President. One of the most pro-active Chambers in the East, the ICC has been privileged to interact and host several of the esteemed Indian Presidents and Prime Ministers in the past.

The ICC today actively facilitating the competitiveness of Indian business and industry to emerge as an economy of global excellence, and is the only Chamber from India to win the first prize in World Chambers Competition in Quebec, Canada.
